

Agasthiya Proxy Search Thumbprints Form

In order to process Agasthiya proxy search, we need your “thumb print” for the Agasthiya agent. Please put your thumbprint below as indicated, and send it to us along with your applications.

《Directions》

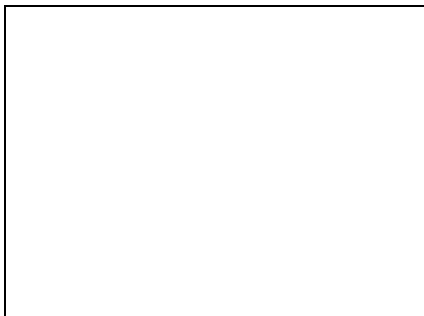

Use right thumb if you are male, and left if female

In order to distinguish your whole thumb print, please press your thumb uniformly.

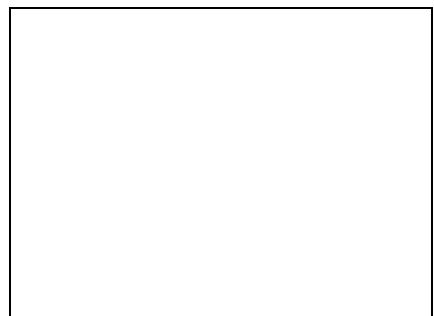

Use Black Ink when marking your thumb print

It would be better to practice before you make your official thumbprint due to the difficulty of making a clear thumb print.

You can make as many thumb prints as you like.

Female Left Thumb

Male Right Thumb
